1. What is a persuasive paragraph?

- Writers convince the reader of their ideas
- Writers do so with clear and strong arguments
- Writers also show counterarguments and refute them

2. Arguments

- Show your opinion and prove it with details (evidences)

3. Counterarguments

- Show what your opponents might say or write

4. Refutation

- When you explain how your opponents' arguments are wrong
- Refutation requires giving details (evidence) to prove it
